

Discover SE Treadmill

The New Elevation Series Treadmill with Discover™ SE Tablet Console is where your digital life meets your workout experience. The third generation of touch screen consoles redefines the workout experience with the most advanced technology. The 19" integrated LCD touch screen features an abundance of entertainment options, enhanced interaction, Internet connectivity and much more.

FEATURES

> **19" INTEGRATED SURFACE CAPACITIVE LCD TOUCH SCREEN WITH INTEGRATED TV**

With a swipe of a finger, navigate seamlessly between crisp, clear screens to choose the entertainment and workouts you want.

> **APPLE® AND ANDROID™ COMPATIBLE**

Connect, manage playlists, watch videos and power your Android and Apple device, including your iPod®, iPhone® or iPad®

> **INTERNET CONNECTIVITY**

Visit a website or play a game. Easily choose your favorite websites through your LFCONNECT account, and they will be instantly available when you log in. Available with Ethernet or Wireless connectivity.

> **LIFESCAPE INTERACTIVE COURSES**

Take high-definition hikes and runs through famous locations around the world. The integrated machine controls speed as the exerciser runs faster and matches the incline to the varying terrains.

> **LFCONNECT™ / LFCONNECT APP**

Complementary solution that allows exercisers to choose equipment settings and track workout results to meet their goals, while also providing facility owners easy asset management and product customization capabilities. LFCONNECT is accessible via its website or app.

To create an account, go to LFCONNECT.com.

FACILITY FEATURES*

Asset Management:

- Product usage statistics
- Software updates

Equipment Customization:

- Custom workouts by facility and trainer
- Attract screen, logo and message customization

Entertainment Customization:

- Internet presets
- TV channel editing

EXERCISER FEATURES*

Product Personalization:

- Display and workout settings
- Internet favorites

Workout Creation:

- Workout calendar
- Workout customization
- Workout Library

Workout Tracking:

- Track and share progress

Social Interaction:

- Create workouts and track progress with peers and personal trainers

All features are Apple and Android compatible.

DISCOVER™ SE TREADMILL

At Life Fitness, we stand at the forefront of innovation by continually elevating the user experience. The Elevation Series treadmill will set your facility apart with its sophisticated design and provide users with a full set of features to keep them motivated. From the DX3™ Belt and Deck System to the Activity Zone that places the most-used controls at the user's fingertips, the treadmill is designed to deliver the ultimate cardio experience.

PERFORMANCE FEATURES

> ADVANCED CONSOLE TECHNOLOGY

Engage the senses with Internet connectivity, product personalization through LFconnect, Lifescape Interactive Courses, video-watching capabilities and iPod®, iPhone®, iPad® and Android® Smartphone integration.

> DX3™ BELT AND DECK SYSTEM

Ground-breaking system combines a lubricant-infused belt, Advanced Belt Tracking System (ABTS™) and our FlexDeck Shock Absorption System for comfort and durability.

> HEART RATE MONITORING

Lifepulse™ digital heart-rate monitoring hand sensors are conveniently placed on the easy-to-grip Ergo™ bar to provide walkers with precise heart-rate monitoring. Polar® telemetry* provides runners with accurate, hands-free heart-rate monitoring, too.

> USER-FRIENDLY DESIGN

An intuitive Activity Zone makes startup simple, and two removable cup holders and integrated Smartphone accessory tray provide convenience.

> MOTIVATING WORKOUT VARIETY

Heart Rate+™ Workouts automatically adjust the incline level to keep users in their target heart-rate zone. Other workouts include 5K and 10K Run, goal-based workouts and Fit Test.

* Requires optional chest strap.

HIGHLIGHTED FEATURE

FLEXDECK™ SHOCK ABSORPTION SYSTEM

Reduces knee and joint stress up to 30% more than non-cushioned surfaces, decreasing the chance for injury. Eight incredibly durable Lifespring™ shock absorbers deliver smooth cushioning throughout the deck, regardless of user weight or running stride.

TREADMILL DETAILS

DX3™ Belt and Deck System

FlexDeck Shock Absorption System

Activity Zone conveniently places most-often used controls on the Ergo™ bar

Powerful 4-HP AC Continuous Duty (8-HP Peak Duty) motor

Large 22" x 60" (55 cm x 152 cm) running surface

Low 10" (25 cm) step-up height

Small 37" x 80" (94 cm x 203 cm) footprint

Large 26" x 5" (66 cm x 13 cm) handrails with soft grips

Patented Lifepulse™ digital heart rate monitoring

Greener with EVERY MOVE

Certain components of our cardio equipment are no longer painted during the manufacturing process, which reduces our carbon footprint. This initiative also lowers the amount of Volatile Organic Compounds (VOCs) released into the air as pollutants.
