

PREMIUM CARDIO EQUIPMENT THAT INSPIRES

Elevation Series is the result of superior biomechanics, thoughtful design and an innovative push toward the connected experience.

FLEXDECK TECHNOLOGY

The FlexDeck® Shock Absorption System reduces knee and joint stress by up to 30 percent more than non-cushioned surfaces. Eight incredibly durable Lifespring™ shock absorbers deliver consistent cushioning.

HALO FITNESS CLOUD

Powerful digital technology that provides a range of tools that can be mixed and matched to make day-to-day business easier. It includes options like equipment monitoring, tools for better communication with members, job tracking and more.¹

CHOOSE YOUR EXERCISER EXPERIENCE

Console options allow you to match the expectations of your exercisers, whether they're looking access their favorite apps or simply want to watch TV during a run.

COLOR CHOICES

Choose from Arctic Silver, Titanium Storm, Black Onyx or Diamond White to find a color that best fits your facility.
